ARRIVAL DAY _____

On the day of arrival, take some time and check the house and the equipment for possible damage or defects. If anything arises during your stay, please report it to us and do not try to repair it yourself.

WI-FI _____

The Wi-Fi code is Cielo villas. If in any case the Wi-Fi doesn't work appropriately, please contact us so we can fix it.

SAFE BOX _____

There are safe boxes in the closets. The initial code is 2014A, but it might be changed by a guest. If you deal with a locked safe box, please contact us.

GENERAL SECURITY _____

The general area is historically safe; however, usual common-sense procedures apply. Lock up the home and close the windows when you are out and about, and do not leave valuables in plain view. There is an alarm if you wish to use it, and we can show you how to use it if you desire.

OUTSIDE GATE

Please keep the plot gate closed when you arrive or leave the property. We have provided you with a computer, but there is also a keypad. The gate opens and closes when pressing the code 4004#.

AIR CONDITIONING

There is air conditioning in every room, and there are also remote controls. Please remember to close the A/C when you leave the villa and when the windows are open. Try to keep the window net closed just to avoid unwanted guests (mosquitoes).

TAP WATER

It is advised not to drink tap water. We have left you some water bottles in the fridge.

SEA

Enjoy the sea; it is fantastic. Please use the outside pool shower to wash away the sea and the sand on your return.

SUNSCREEN AND POOL

Please be as careful as possible when you are wet and have sunscreen lotion on. It is a challenging stain, and we wish everything to be clean for you.

HOUSEKEEPING & CLEANING

Cleaning services can be provided daily between 9:00 and 15:00. Our team always tries their best to clean your villa while you are out exploring. The time of cleaning is always agreed upon with you beforehand for minimal disturbance.

The cleaning usually takes about 1 hour, during which the entire villa is refreshed and organized. Your housekeeper will do the dishes, mop the floor, and wipe all the dirty surfaces. Bedsheets are changed every three days, and towels every other day, unless otherwise requested. Please be aware not to use white towels when you are using sun lotion. It is a stain that cannot be removed. Your pool will be cleaned every day in the early morning so as not to disturb you.

TOILETS

Please do not flush toilet paper because we have a different type of drain system in Greece. Use the small bin. Every day, the maid will clean it.
